PRESS RELEASE EVE ICICLES

Design by William Brand

March 2018, Naarden, The Netherlands

Combining the Eve with the time honoured tradition of hand-blown glass: the Eve Icicles has been created. Eve Icicles can be customised to any dimension, allowing for a tailor-made lighting sculpture for your space.

Founder and designer William Brand designed and crafted the Eve Icicles with a specific client's space already in mind; the new 5 star luxury hotel The Fontenay in Hamburg, Germany. As always, he moved from a brief period of sketching to the atelier for the actual crafting and experimenting: his hands twisting and composing the metals and glass into a new collection.
