Sculpted by William Brand

SOLIS COLLECTION

Playful and vivid, primal yet surprising: the Solis eclipsed out of our atelier. Her elements dance and smile in front of your eyes and pose the inescapable question: will you join the rhythm, or walk on?

Just as the sun's gravity keeps other planets from spinning into deep space, the Solis pulls your eyes towards the seductive composition of different reflections.

As the Romans said: Splendor Solis!

WILLIAM BRAND

William Brand (1963) - an award-winning architect and sculptor - is widely recognized for his imaginative and daring sculptural lighting.

In 1989, he founded his own atelier Brand van Egmond to create without restraint.

His lighting sculptures, often perceived as art pieces, grace the finest residences, exclusive boutiques, stunning hotels and leading art exhibitions.

HANDCRAFTED PERFECTION

What begins as a simple sketch with William's pen, results in a sculptural lighting object with character, crafted exclusively by hand and with love by skilled artisans, under the direct supervision of William.

All creations differ from each other and have little marks of handcrafting, like the colorful patina, grinding structure, little glass characteristics, which give each piece its individual charm.
