

Brand van Egmond is an atelier where a dedicated team of people bring the ideas and designs of the founder William Brand alive. Driven by creativity and internationally oriented, the company crafts lighting for some of the most stunning interiors and unique clients around the world. We are located in one of the most beautiful offices in Naarden (Amsterdam region).

We are looking for a **Product Designer with Graphic Design skills** to join and strengthen our Design Studio

The Opportunity

We are seeking a new team member to join our small and dedicated team and help us take Brand van Egmond to new heights. This role is perfect for a creative designer who shares our passion for beauty, craftsmanship and ambition.

In this position, you will play a key role in elevating our brand and supporting the creativity of founder William Brand. You will work closely with the design studio and sales team, who work on projects involving our lighting across the globe.

If you are a curious and creative designer excited by the challenge of working at a uniquely creative and ambitious brand, this is the perfect role for you.

Key Responsibilities

- Develop the visual identity of the atelier as it evolves through 2D CAD plans, 3D visuals and sketches
- Work closely with the founder, design and sales team and external contractors in order create and participate in the creation of product documentation and prototypes

Qualifications

- **Design:** creation of 2D graphics/illustrations, 3D models and realistic images. Product implementation.
- **Development:** of physical prototypes and the elaboration of ideas and concepts
- **Skills: Proven experience** with Photoshop, Illustrator, InDesign, Rhino, AutoCAD, Adobe creative cloud and V-ray. Knowledge of Canva or Figma is a plus.
- **Knowledge** of various material characteristics, spatial awareness and a strong sense of proportion
- **Design Capabilities:** Graphic design skills are a plus, helping to ensure that all marketing materials are visually compelling.
- **Communication Skills:** Good verbal and written communication skills in English are required, and preferably Dutch as well.
- **Interpersonal Skills:** Strong interpersonal skills with the ability to work collaboratively across teams, coupled with good problem-solving and decision-making abilities.
- **Positive Mindset:** A proactive and positive attitude, with a willingness to experiment with new ideas and approaches.
- **Have at least 3 years** of relevant experience in the design/creative industry

What We Offer

- **Inspiring Work Environment:** Be part of a very creative and internationally oriented team.
- **Professional Growth:** Opportunities for growth and professional development within a high-end, luxury design brand.
- **Competitive Benefits:** We offer a benefits package tailored to support your well-being and career progression.
